DAAS MOUNA

Tel. No: +213659016370   Linkdin: https://www.linkedin.com/in/d-mouna-frontend/

Email: mounadaas19@gmail.com   Github: https://github.com/mounadaas

Personal Details

Nationality   :   Algerian

Address   :   Setif, Algeria.

Education:

Master of Mathematics, science department, Setif University   08/2020
For my graduation project, I developed the "Envelope of a Family
of Lines (The Ellipse) Application" utilizing C++, which
underscored my proficiency in both mathematical concepts and
programming skills.

BSc of Mathematics & Computer science, science department,   09/2018
Setif University
My coursework encompassed diverse subjects including: Algebra,
Statistics, Probability, Algorithm Design, and Advanced C++
Programming.
